- MOSI is the proud winner of the 2009 National Medal for Museums by the Institute of Museum and Library Services, the nation's highest community service honor for museums;

Einstein on Food & Wine has provided $1.9 million of funding to MOSI for science education programs and community scholarships.

MOSI continues to build upon our existing programs and exhibits and seek innovative ways to engage diverse audiences in the 21st century. This is made possible, in part, with the success of the popular ***Einstein on Food & Wine,*** Tampa's favorite food and wine tasting. The 18th annual celebration of delectable food and fine wine will be held on Saturday, February 2, 2013. With more than 2,000 attendees, this event presents excellent exposure for your restaurant while allowing you the rare opportunity to demonstrate your commitment to the Tampa Bay community.

To be an ***Einstein on Food & Wine*** participant, we need you to provide 2,000 samplings of your choice. There is no cost to you. We provide tables, coverings, signage, plates and utensils.

We hope that you will consider joining other Tampa Bay area vintners, restaurants and caterers at ***Einstein on Food & Wine***. You can be assured that your participation will generate significant benefits for your restaurant and MOSI's educational programs.
