

Dear Scholarship Applicant,

MOSI is dedicated to providing science, technology, engineering, art and math educational programming to the Tampa Bay community and has touched the lives of more than 14 million people since opening its doors. Additionally, MOSI provides more than \$500,000 per year in scholarships, admission, memberships, field trip and transportation support, as well as free teacher training in an effort to remain accessible to everyone in our community.

We are currently running our Give Change to Make Change campaign where “it all adds up” to our goal of sending 400 kids to summer science camp.

Below is our scholarship application, please fill it out in its entirety and send back to thislittlepiggy@mosi.org or mail it to: “2014 GCMC Summer Science Camp Scholarship”, 4801 E. Fowler Ave, Tampa, FL 33617. We will have a better idea of total funds available as the campaign continues and will give you an update on availability within 2 weeks of your application date.

Remember it all adds up and your participation is vital. With your help, we can continue to focus on the importance of our non-profit mission of being a community-based institution and educational resource dedicated to advancing public interest, knowledge and understanding of science, technology, engineering, arts and math education.

MOSI will award scholarships to campers who meet the requirements listed below to attend a full week of science or technology camp during the summer of 2014. The scholarship award is based on student interest, need, and family income.

Eligibility:

Open to students in completed Kindergarten through 12th grade with documented financial need.

Requirements:

1. Fully complete the 2014 GCMC Summer Science Camp Scholarship Application. Student must answer all the questions on the application.
2. Provide written documented proof of financial need. Documentation may include an official letter showing your participation in the free/reduced school lunch program for this school year or a letter from an official social service agency. All information will be kept confidential.
3. Letter of commitment from the parent ensuring the student’s daily attendance in camp and transportation to camp.
4. Letter of recommendation from a teacher, counselor, coach, or mentor.

Visit www.campfun.org for camp descriptions and schedule.

2014 GCMC Summer Science Camp
